Orientation

Orientation, held August 15,16, & 17, introduced the new freshmen and 8th graders to the school. All upperclassmen, by now old hands at orientation, gathered with friends not seen for a long while. Textbooks, schedules, locks, PE uniforms, etc., were collected in the first official act of the 1984-85 school year.

On Friday, August 17, the freshmen and 8th graders were welcomed by principal Bro. Ivy LeBlanc, were visited by extracurricular leaders in their classes, and took part in a Student Council sponsored pep rally.

Ring Mass

The Senior Ring Ceremony, on August 24th, was held at St. Francis Cabrini church with Bro. Farrel as the main celebrant. The mass was very special for the seniors and it was an unforgettable high point of their final year at Bro. Martin. During his homily, Bro. Farrel offered the seniors some insight as to what to expect of the upcoming year and he put into perspective the responsibilities which go along with the privileges.

Following the mass, each senior was called up to receive his ring from Bro. Ivy. During this time, an occassional ripple of laughter could be heard echoing through the church as a few rings somehow managed to find their way to the floor through nervous fingers.

After the ceremony's, feelings of pride and leadership were apparent throughout the congregation as the seniors made their way out of the church with great expectations for the year to come.

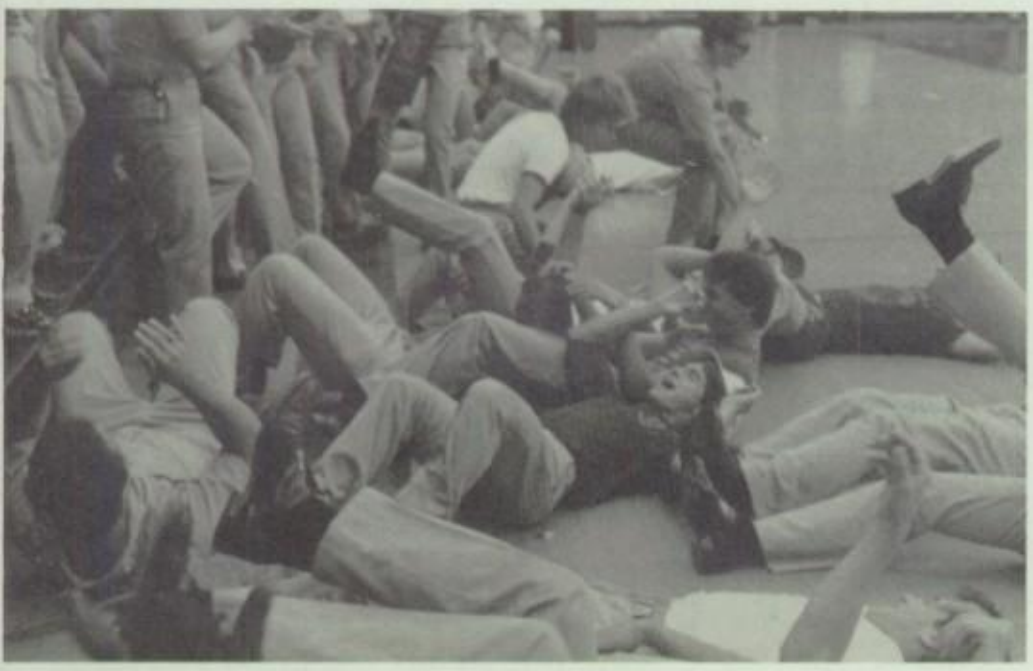
Ring Dance

The Senior Ring Dance was held in the Bro. Martin mall on August 25 - the night after the seniors had received their rings. The band *Desire* offered an exciting evening for all. "I admire the way the seniors presented themselves ... It was quite a difference from when I first met them as freshmen. They are young men now and they are finally in their last year," said Activities Director Mr. Barry Hebert.

Pep Rallies

Once again, pep rallies served as the main event to build school spirit during the football season. The Student Council, Cheerleaders, Band, Flag Corp, and the Mount Carmel dancers went all out the present some of the most enjoyable pep rallies in recent Bro. Martin history.

The first pep rally of the year introduced 8th and 9th graders to the Crusader spirit at Orientation. The first regular pep rally featured a skit in which the traditional Bro. Martin hero (played by John Estorge) beats out the bad guy form O. Perry Walker (played by Jimmy Ligon) in a western scenario. One of the most popular of all pep rallies was the one for the Holy Cross game in which the Old Storyteller (Mr. Guy Nelson) made an appearance. Hundreds of students flocked around him on the gym floor for an inspiring story.



OPPOSITE PAGE TOP RIGHT: The Cheerleaders exhibit "pyramid power." OPPOSITE PAGE BOTTOM LEFT: Senior spirit was at its highest during the Holy Cross pep rally. Pep Rallies

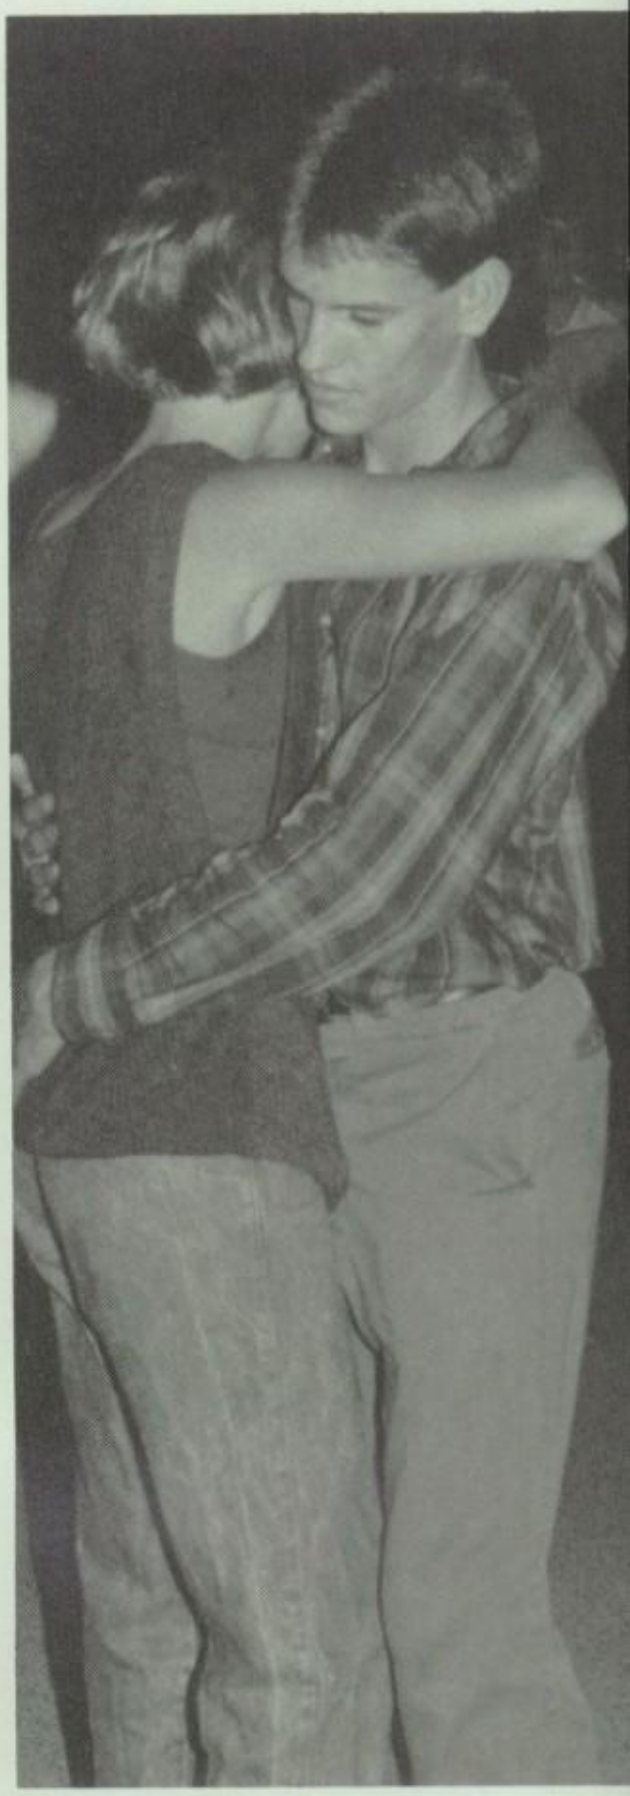
The pep rally for the Homecoming game against Chalmette included the presentation of the Homecoming court to the student body. The last pep rally was perhaps the most extravagant. Seniors Jimmy Ligon, Eddie Exposito, and Stephen Ferrara were decked out as "the Jay Busters". Mr. Greg Rando also appeared to sing the "Jay Busters" song which went to the tune of the popular "Ghostbusters." Greg Binder was the Blue Jay they fought so hard to capture.

School Dances

Starting with the Back to School Dance in September, the Mall was the site of several school dances. This first dance was attended by over fifteen hundred students from Brother Martin and local girls' high schools. It was a great opening for the '84-'85 social season.

Also held in the Mall during the first semester was a sock hop after the football game with Holy Cross. Rock music replaced halftime music as a successful dance followed a tough game. The Halloween Dance followed a few weekends later giving Martin students and their dates a chance to howl.



At the Christmas Dance, the curtains purchased by the Student Council were unfurled for the first time, enhancing the setting of this and all subsequent dances held in the Mall. The holiday spirit was evident as the dancers reveled in their more dignified surroundings.

Dances

The second semester brought a Mardi Gras Dance which over seven hurdred students attended, many of them vying for the best costume awards. In early March there was a charity dance to collect food and raise money for the missions in Africa. Later that month, after a volleyball game with Holy Angels, another festive Brother Martin social event was held. To cap off a wonderful year, the End of School Dance was held the night of the last day of classes.

Intramurals

Once again the intramural program was organized by Mr. David Storm, in charge of football, Mr. Gene Tullier, softball, and Bro. Robert LeBlanc, basketball. "Road Closed" dominated all of the sports during the year. This team of almost all seniors blocked the road to first place in every sport except basketball. "They are a group of fine young gentlemen," said Mr. Storm in describing the members of "Road Closed", in particular, and all intramural participatants, in general.

Homecoming Dance

The Hotel Intercontinental was the scene of the annual Homecoming Dance of October 19. About five hundred couples donned semi-formal attire and attended this event, during which the Homecoming Court was crowned. The sounds were provided by *Ivy,* one of the most popular local bands. Said junior Billy Person, "The band sounded great and the hotel was a step up in class."

Homecoming Court

The Homecoming Court was first introduced at the pep rally the day of the Homecoming Game. During the halftime of the game against Chalmette, which was won by the Crusaders by a score of 14 to 6, the '84 Homecoming Court was presented by selected alumni. Kelly Troclair was honored as Homecoming Queen. The maids of the court were Christine Schneider, Charmagne Stechman, Erika Stuebben and Cherie Schmidt. These young ladies were escorted to the Homecoming Dance by Football team members Mike Allen, Barry Burns, Craig Sauviac, Troy Tortorich, Jeff Reid, and Robbie Delord.

Open House

Not even on the first day of school does the school building radiate with the sheen that it does of Open House. The lockers gleam and it is possible to see yourself in a desk. The whole Brother Martin Community gets involved to welcome prospective applicants to our school and to try to explain in one short night just what being a Crusader is all about.

The grammar school boys and their parents were given an intensive introduction to Brother Martin while being guided through the building by students selected from the ranks of the Key Club, Student Council, and National Honor Society. Brother Jean made sure everything ran smoothly on what has become perhaps the busiest, and certainly one of the most important, nights of the school year.

Alumni

Alumni activities were various during the '84-'85 year. The mall was a gathering place for reunions of Brother Martin graduates, Aloysius Graduates, and Cor Jesu graduates. The 1st annual Crusader Cash Give-Away was held offering food, drink, dance, and a chance at winning over $5,000 in cash prizes. Honored at the Alumini Association's Grads-Dads Steak Barbecue was Brother Rene. An afternoon of golf was followed by a steak dinner in the mall. Over 500 alumni attended.

Alumni

Prominent alumni during 1985 included Mr. Tom Benson who established the Benson Free Enterprise Resource Library at Brother Martin. 1947 St. Aloysius graduate Mr. Francis J. Demarest was selected Alumnus of the Year.

Other alumni participated in the presentation of the Brother Martin Homecoming Court. Nelson Breve ('71), Billy Stechmann ('59), Joseph Rink ('61), Leonard Estorge ('58), John Stuebben ('54), and Clarence Schneider ('61) served as escorts.

Parents Club

The Parents Club's main function is to give the parents the opportunity to discuss their son's development with his teachers. The organization met once a month, from September to May, and all parents were invited. At the first meeting of the year, parents followed their son's schedule and met all of his instructors.

Parents Club

During the December parents club meeting, a Christmas party was held. At each meeting a different student activity was introduced. According to Bro. Jean, "The parents really appreciate the chance to meet with the teachers. It brings the two together."

The parents club activities don't end there however. Many members volunteer for clerical work and help chaperone dances. They also help in the preparations for each banquet. Parents Club members are most noticeable at the Fair where they are instrumental in the organization and operation of the many booths.

Banquets

Brother Martin's wide range of extra-curricular activities was honored with two banquets. The Fall Activities Banquet was held on January 19 and the Spring Activities Banquet was held April 27. Athletes from all sports were honored at two banquets also, one on January 26 and the other on May 11.

The master of ceremonies for the activity banquets was Bro. Ronald Hingle, and Mr. Greg Rando did the honors for the sports banquets. All activities from Academic Games to Yearbook were honored for their accomplishments. The highlights of the sports banquets were sports awards. Among the top awards was Robert Delord as recipient of the Senior Athlete Award (David Marks Memorial).

Military Ball

The 1985 Military Ball was held at the Port of Embarkation's Officer's Club. The Battalion Darling and her court, escorted by the Company Officers, entered the ballroom beneath the traditional Sword Arch. For the sixth straight year the NJROTC program was rated superior by the Navy and was awarded the coveted "Bravo Zulu" award during the Military Ball ceremonies.

Senior Field Day

Senior Field Day offers both the students and teachers the opportunity to meet on the playing field or court. The day is special in the way both groups put aside the classroom business and enjoy each other's company. There were eight senior teams lead by captains Paul Paisant, Craig Rupert, Noel Jensen, Mike Mills, Ray LoCicero, Steve Brondum, John Estorge, and Nga Nguyen. The three faculty teams were captained by Mrs. Clair LeBlanc, Ms. Jeanne Bandera, and Mrs. Norma Cannizzaro. The seniors proved to be tough competition - but the faculty did manage to win the majority of their games of softball, basketball, football, and volleyball.

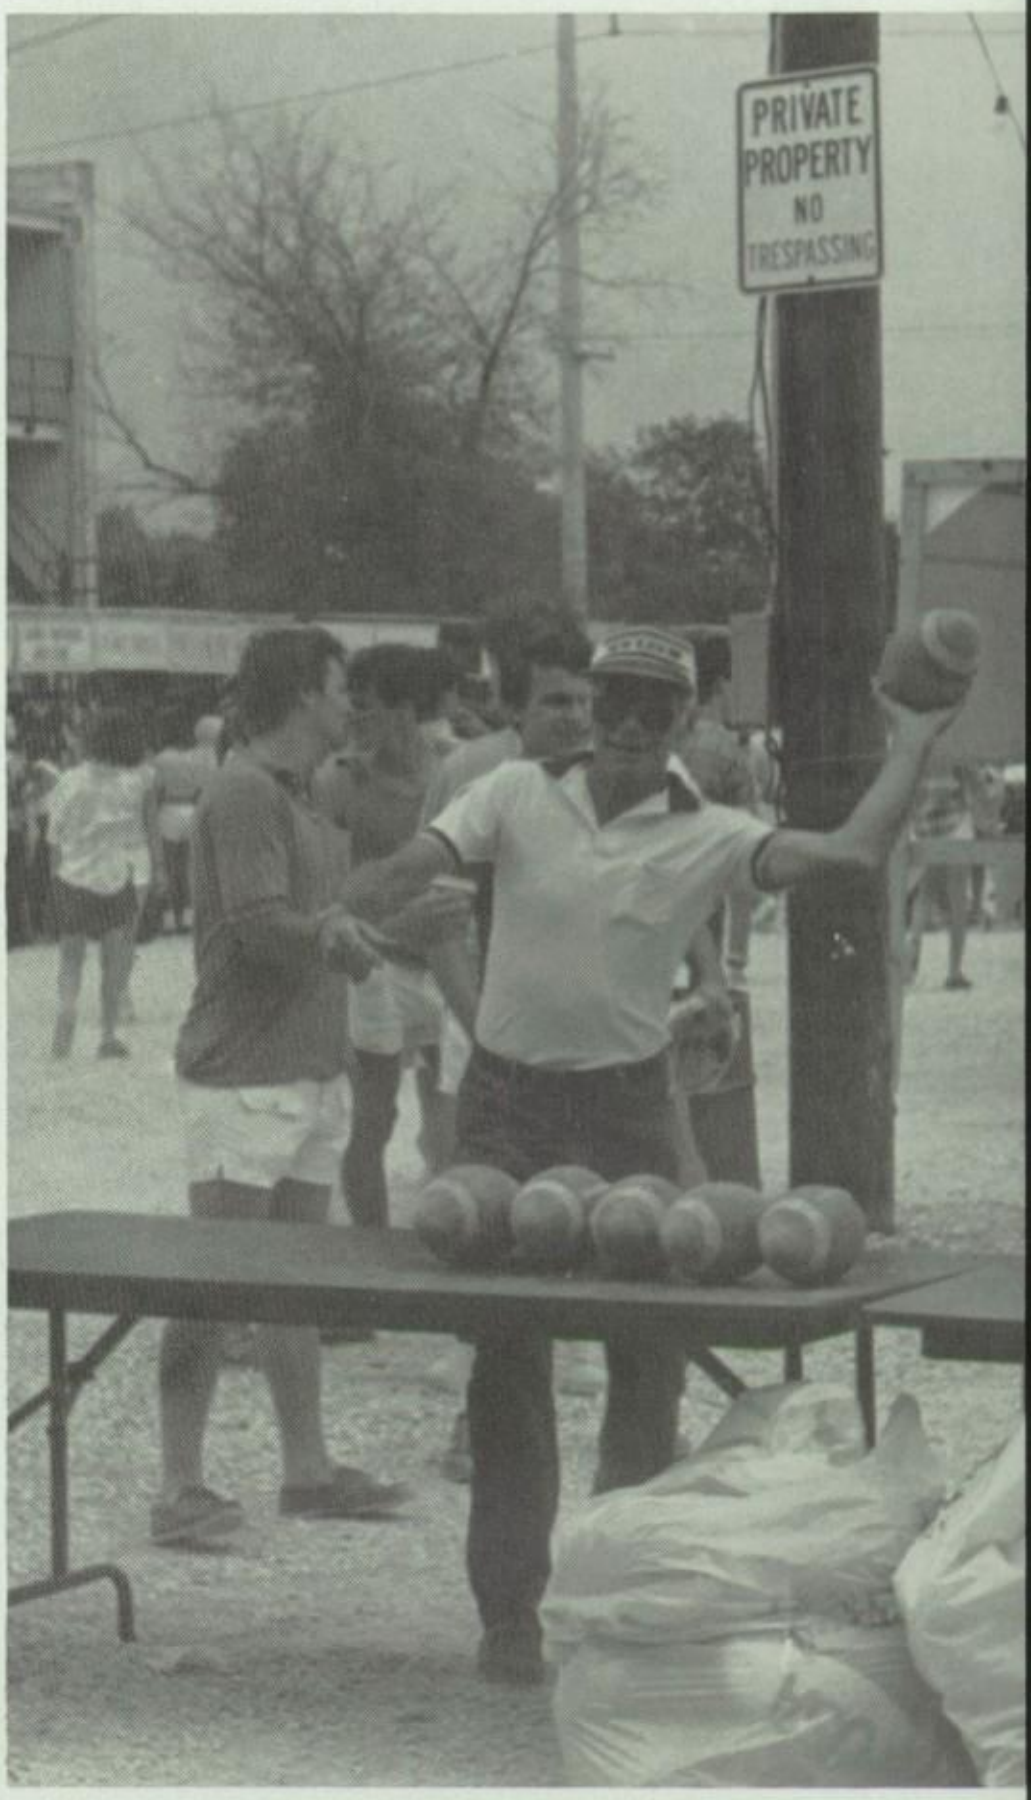
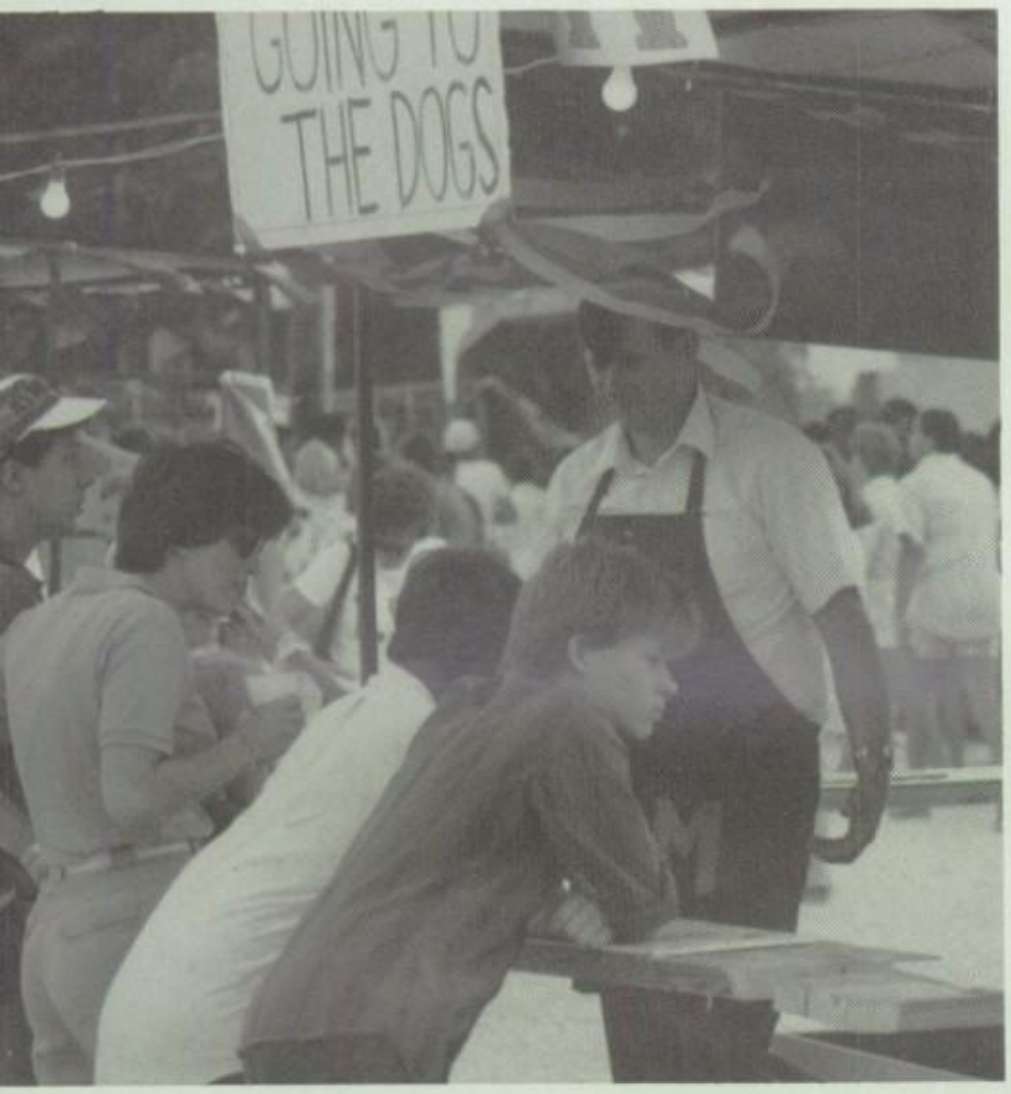
Fair

For a fourth year, the Al Briede Gold Cup Race was run on the morning of the Fair. Over 700 runners came out to run the one-mile fun run or the three-mile route down Elysian Fields Avenue.

The Fair itself offered a variety of foods, activities, and pleasures for everyone. From the Student Council sponsored fish pond booth to the teacher dunking booth, a good time could be had for almost any student and his family.





OPPOSITE PAGE TOP RIGHT: A fair-goer tries his luck at the football-throwing booth. OPPOSITE PAGE BOTTOM LEFT: Fred Knecht and his girlfriend enjoy the Sunday afternoon at the fair. Fair

One of the many fund-raising activities involved in the fair was the sale of raffle tickets. Students were encouraged to sell raffle tickets in which the winner chosen would choose between three automobiles donated by Benson Automotive World. Classes selling all their raffle tickets received a "Day At The Fair Packet" which included many booth and food tickets.

Of course the success of the fair is due, in a large part, to the dedication of the Parents Club who donated many hours and goods for that memorable Sunday, May 5.

Senior Prom

The Class of 1985 celebrated their completion of high school and their upcoming graduation at the Senior Prom, held May 10 at Ro Je's Ballroom. The crowd was entertained by the sounds of "Contrast".

At the end of the evening many seniors went in search of the numerous post Prom parties given by many students and their parents. It was a unforgettable time and the last time the seniors would gather socially for a Brother Martin function.

Leadership Banquet

On Saturday, May 18, one of the most exciting nights of the year took place in the school mall. The Leadership Banquet, sponsored by the Brother Martin Key Club, honored the leaders of all organizations and sports, along with honor roll students.

One of the highlights of the banquet was the presentation of the Andy Bacon Memorial Scholarship Award by Mr. John Caruso of the Third District Kiwanis Club to Jimmy Tonglet. Also, the Golden Crusaders were distributed to eleven outstanding seniors.

Key Club Moderator Mr. Barry Neuburger welcomed the students and parents while Bro. Ronald Hingle served as the principle speaker. The delicious meal of redfish was prepared and served by members of the Parents Club.

Graduation

The Seniors of Brother Martin ended their final year with the annual Commencement Exercises, held for the first time at the UNO Lakefront Arena on May 23, 1985.

Following the processional of students and faculty, Salutatorians Kenny Martinez and Brad Mills welcomed the seniors and their parents. Diplomas were distributed by Bro. Ivy, followed by the presentation of Graduation Awards by Bro. Martin Hernandez. The Graduation Farewell was given by Valedictorian Paul Kornovich.

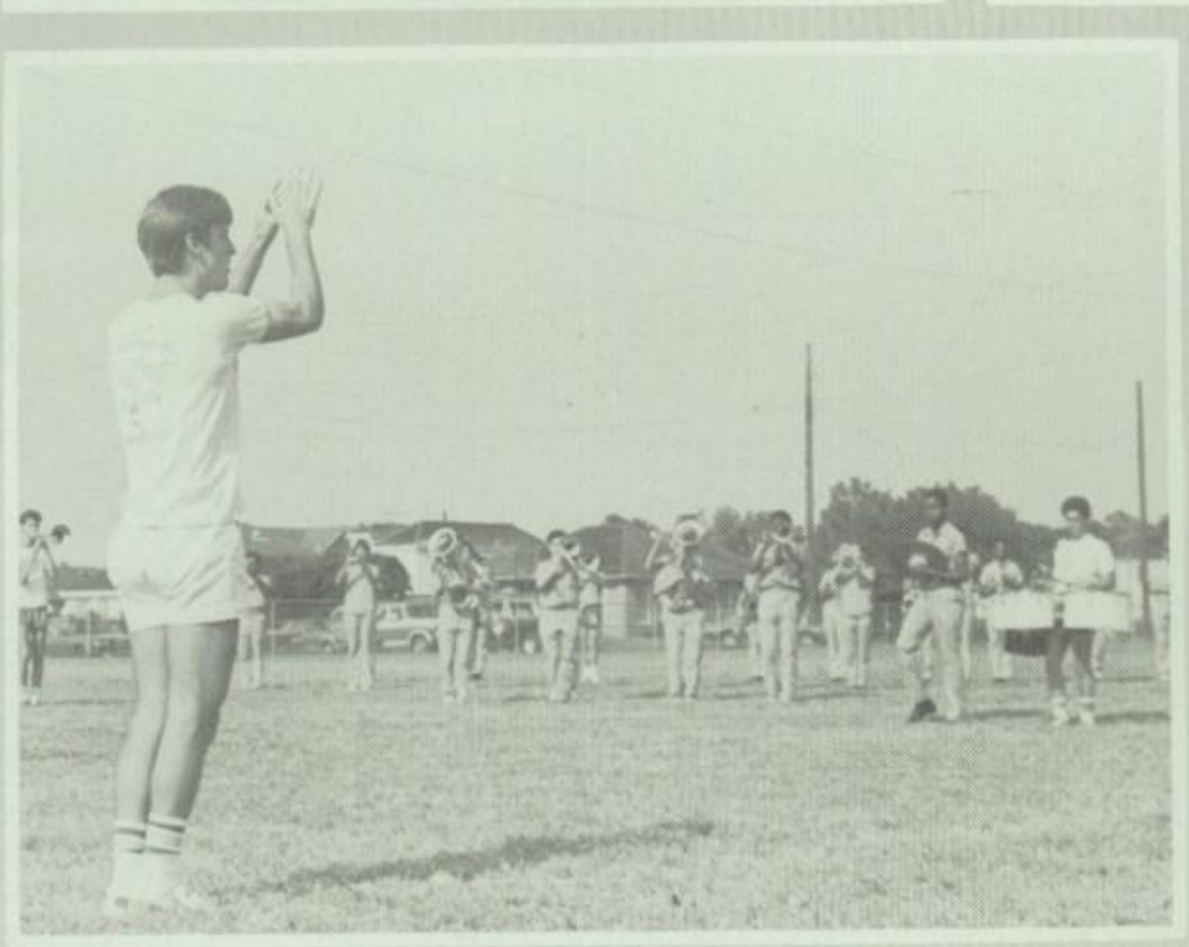
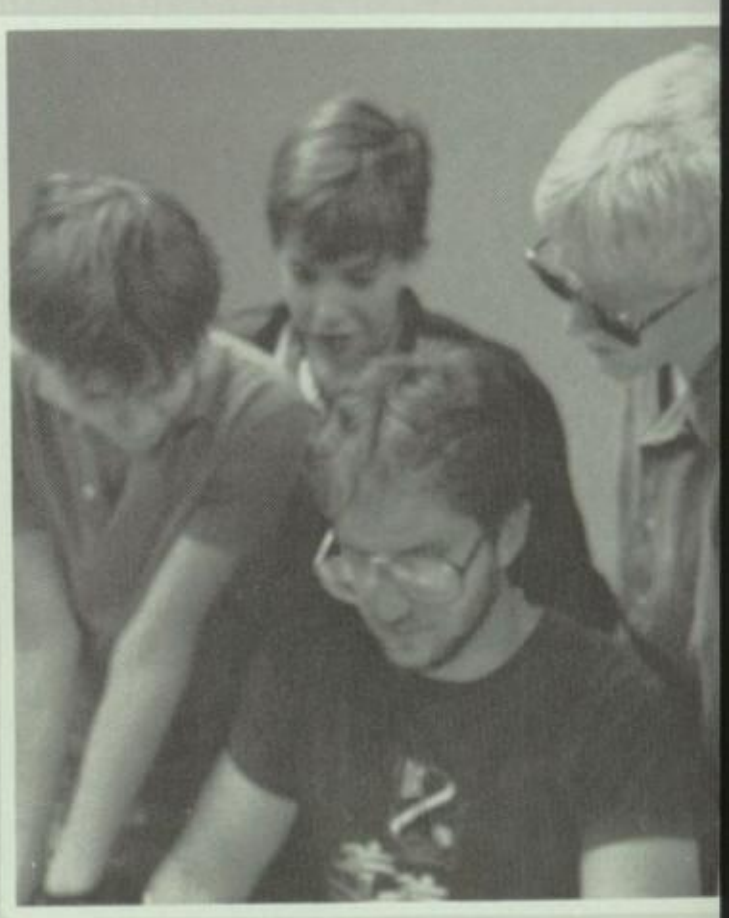
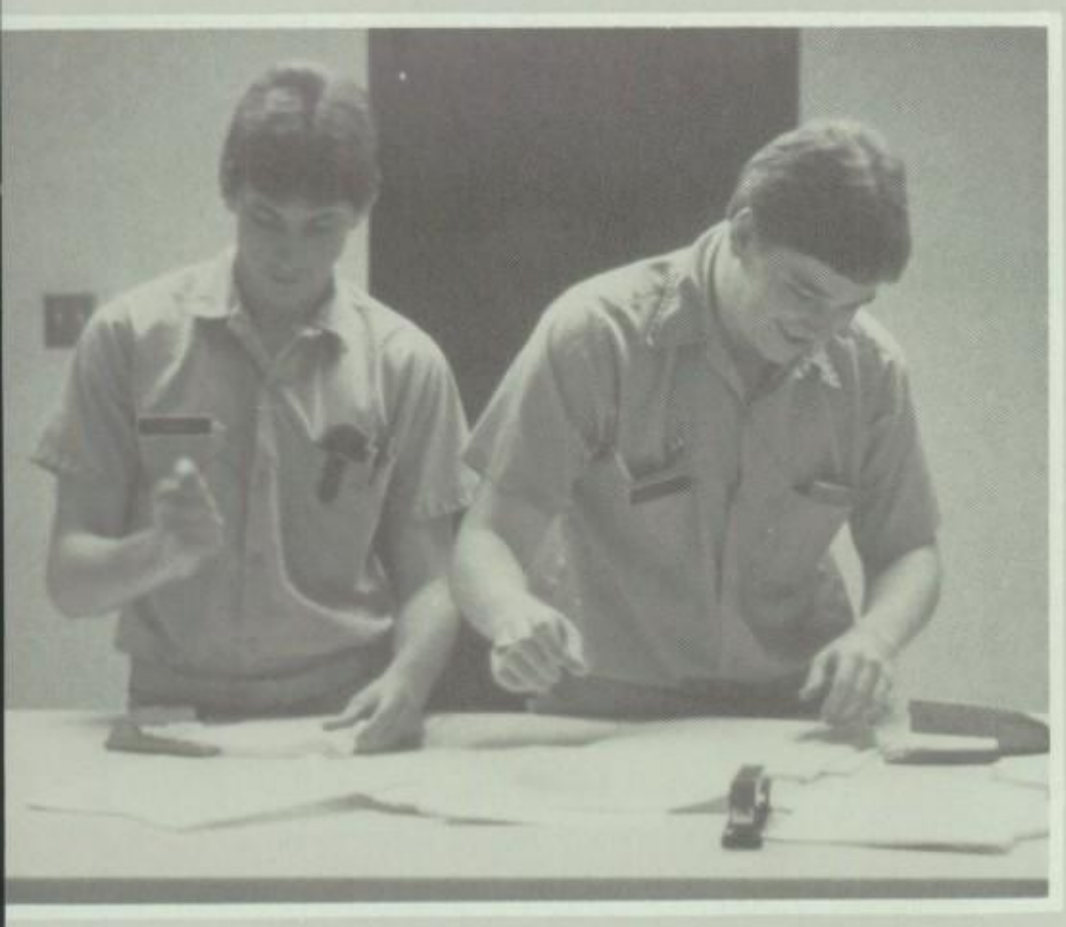
Clubs







Student Council

The 1985 Student Council, led by moderators Mr. Greg Rando and Brother Ronald Hingle, was one of the busiest ever. Council members worked very hard in preparing for all the pep rallies - extravaganzas that demanded long hours of preparation. They also promoted school spirit in many ways - by selling spirit ribbons, painting signs for the mall, and initiating shirt days. The major fund-raising activities for the council revolved around the many dances they sponsored. From the Back to School Dance to the many small sock-hops after games, the funds went to charity or to specific areas of school improvement. Bobby Flauss served as president of the '85 council.

Cheerleaders

Shortly before the 1983-84 school year ended, this group of talented people tried out and was selected to become Crusader Cheerleaders. Many hours were spent during the summer practicing the various routines that were displayed throughout the year.

Wherever spirit needed a boost, the cheerleaders could be found. Whether it was a pep rally, football game, or basketball game, their audience was all the more enthusiastic because of their spirit.

Band

The 1985 Crusader Band had one of its most successful years in its sixteen year history. New uniforms were acquired, and they were in show for their performance at the World's Fair in a concert and, later, at a parade through the fair's many pavillions. The halftime shows for the football season proved the group's talent with such hits as "Ghostbusters" and selected James Bond hits. The band participated in the Marching Festival and received straight superior ratings.

Band And Flag Corp

One of the most popular playing times for the band was during the Mardi Gras parade season. The band marched in five parades including Pegasus, considered the "Battle of the Bands", for which they received the first place trophy for the best band. After the football and marching seasons, the members concentrated on concert performances. The concert bands, Ensemble and Symphonic, participated in the L.M.E.A. District Festival receiving superior and excellent ratings.

Band And Flag Corp

The 1984-85 Brother Martin Flag Corp consisted of many Mount Carmel students who coordinated their talents with that of the marching band's. Moderated by Mr. John Laudun, the Flag Corp performed with the band during many of the halftime shows at football games. They also participated in Crusader pep rallies, such as the 8th & 9th grade Orientation Pep Rally and the Homecoming Pep Rally. Captain for this year's Flag Corp was Lori Murkowski. Gretchen Zimmermann served as Sergeant.

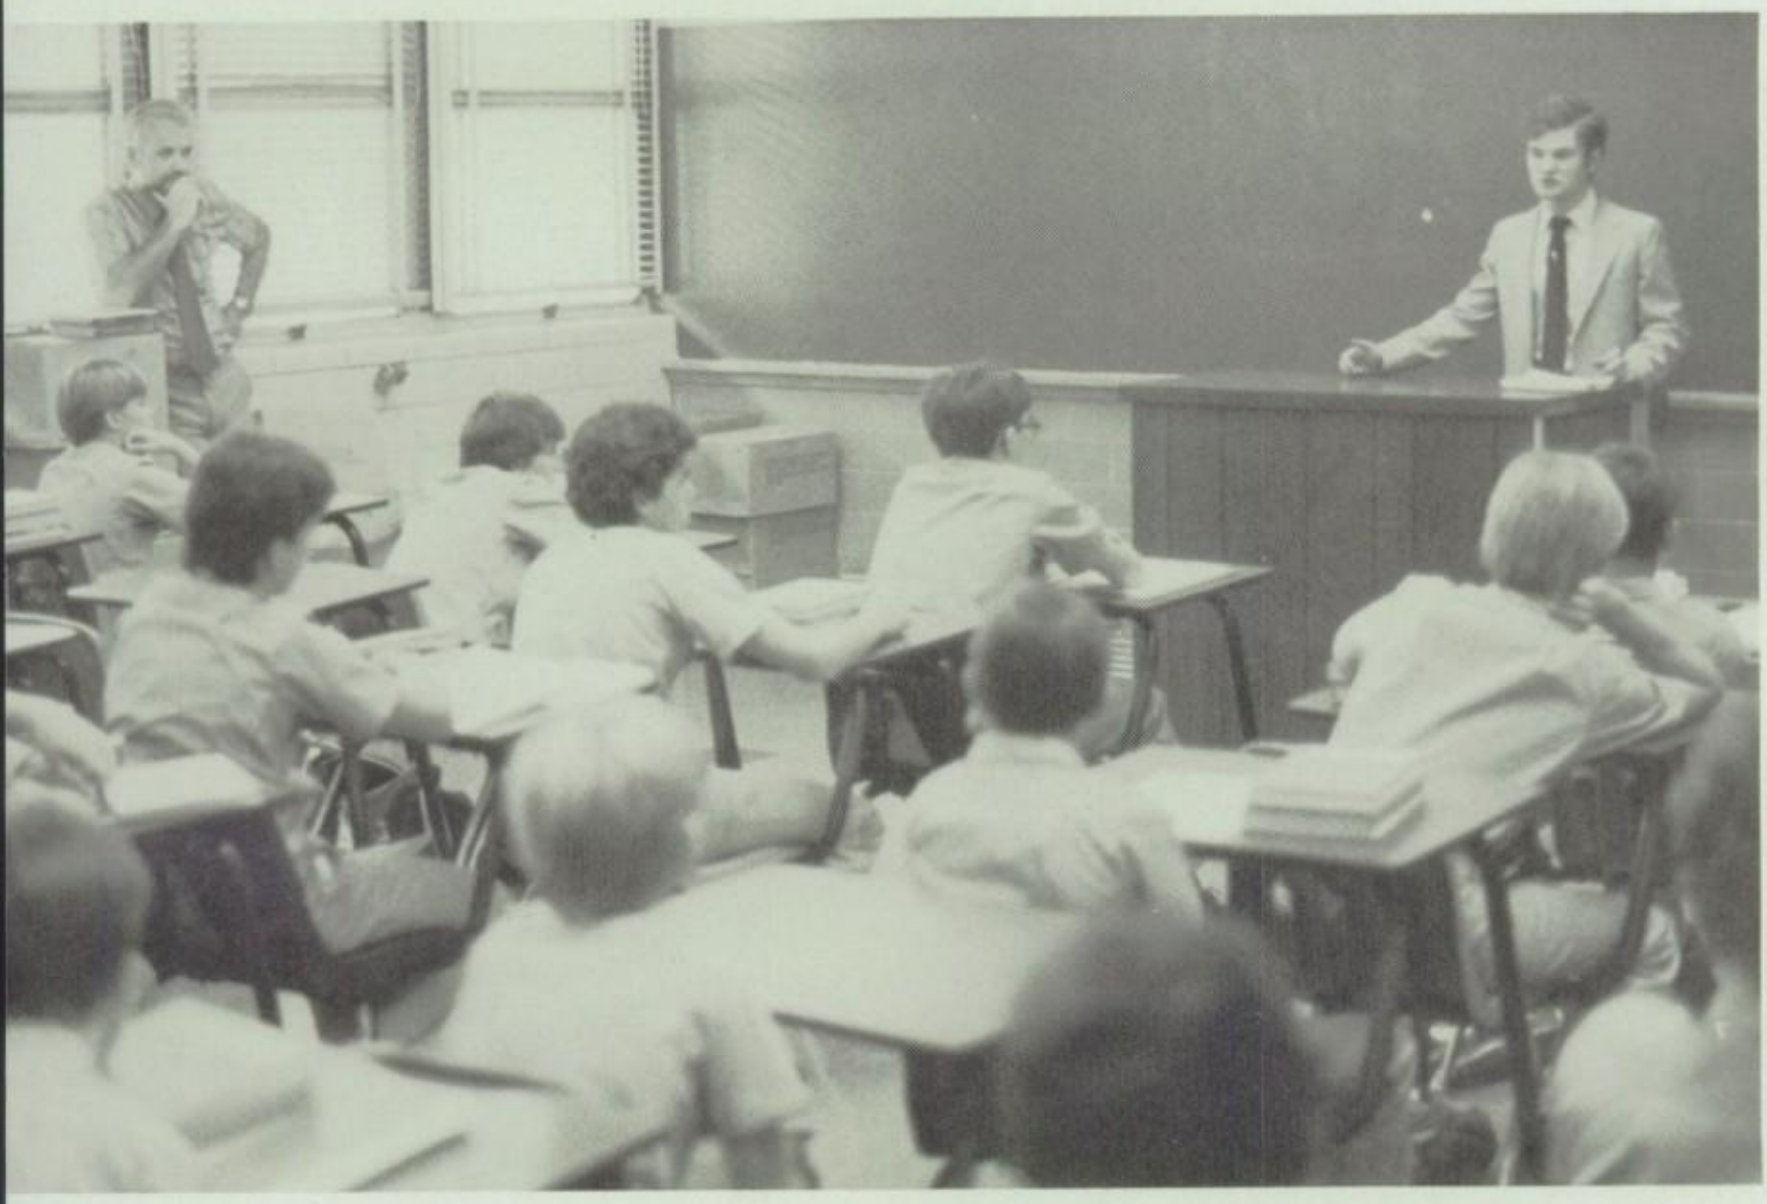
Speech And Debate

The Speech and Debate Team, an organization for those students who wish to expand their knowledge of public speaking through competition, used both experience and hard work in preparing their arguments for the many challenges they would face. The team competed in debate tournaments throughout the state. Robert Peterson competed in the state speech and debate tournament with success. Mrs. Connie Breness moderated the team whose other top members included Mike Handley.



Drama

The 1985 Drama Club, known as the Dionysians, succeeded in putting on the finest production in recent years. *PIPPIN* was a musical extravaganza that followed the adventures of Pippin, the son of King Charlemagne. The play was directed by Ms. Mel Michel. Ms. Alice Abate served as Drama Club moderator. President for the year was Gerald Lyons; Joel Jones was Vice-President and Mike Lora acted as Stage Manager. The Drama Club was disbanded shortly after the production of *PIPPIN.*

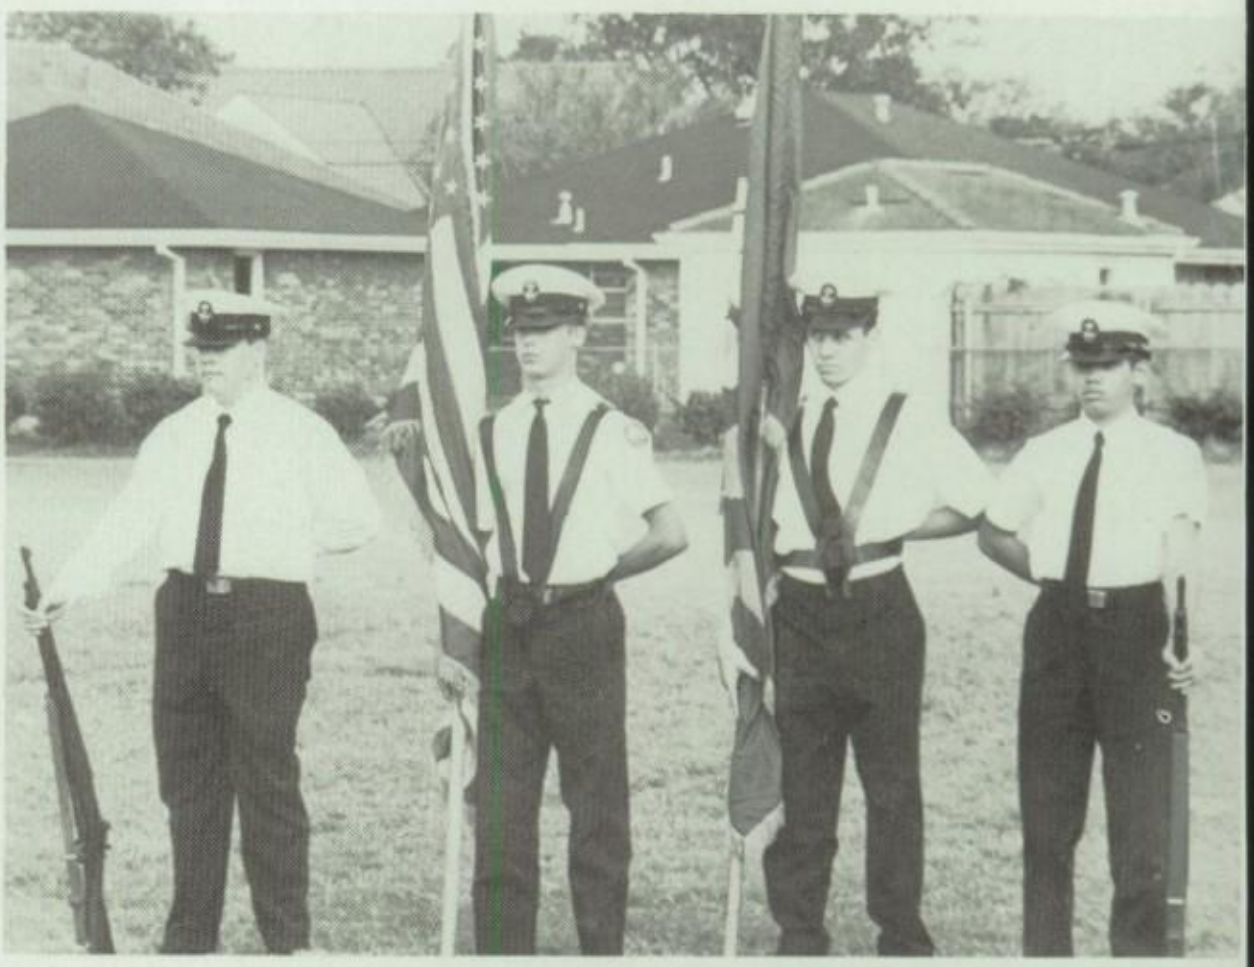
Drill Team/ Color Guard

Despite the loss of many veterans from the previous year, the Drill Team captured the President's Award in two of the three meets held at Ole Miss along with third place in basic drill. The team also participated in the World's Fair, marching in a parade along the Wonder Wall. Other field meets the drill team participated in were held at Corpus Christi and Pensacola.

Gerald Lyons served as Drill Team Commander and Ken Hayes was Color Guard Commander. Cdr. David Hafford USN (Ret.) was moderator.



Science Club

The Science Club, moderated by Mr. Tom Margavio, provided a fun, educational experience for its members. Many of the activities revolved around the different fields of science, whether it be Biology, Astronomy, Physics, Chemistry, or even Marine Biology. Bradd Pavur and Jimmy Pennison were President and Vice-President, respectively.

Foreign Language Club

The Foreign Language Club, moderated by Mrs. Elfi Celebi with Andre Honoree as President, accomplished many of the goals it set for itself early in the year. The many events that the club were involved in included a visit to the Oktoberfest as well as the club's main function, The International Day held at Brother Martin. Other activities were in conjunction with the foreign language students from other schools.

Chess Club

Under the leadership of moderator Mr. Kevin McDermott, the Chess Club finished strong this year. Although the club members were mostly sophomores and freshmen, they proved themselves worthy against the many opponents they met. Champion players included Romain Duronslet, Shawn Leehans, Les Martin, Joey Litwinowicz, and Troy Tomlinson.

Computer Club

The Brother Martin Computer Club continues to offer students the opportunity to familiarize themselves with computer technology. The addition of a second computer lab contributed to the possibility of becoming acquainted with the latest equipment while also offering a place for the exchange of ideas. The club's members, mostly eighth graders and freshmen, could be found working on programs during the day and after school. Bro. Neal was moderator and Senior Kevin Begnaud served as president. Juniors Steven Toups, Todd Richardson, and John Albano served as Vice-president, secretary, and treasurer, respectively.

Academic Games

Academic Games, which consists of ON-SETS, Propoganda, Equations, and Mr. Presidents, proved to be a busy group the entire year. All their competitions led up to the National Academic Games Olympics held in Rock Eagle, Georgia. There, the Bro. Martin A Team managed to get third in Senior Sweepstakes. The entire team received a high ranking in general, but no superior ratings. Those who participated included Frank Boneno, Kevin Begnaud, Stephen Gele, Mike Handley, George Liu, Steve Lombardo, Todd Richardson, Ed Frosch, Mike Serou, Tim McCann, and Kevin Smith.

Rifle Club

The Rifle Club, designed for those who excel in the field of rifle marksmanship, engaged in several matches using rifles provided by the NJROTC Department, the U.S. Army, and private owners. Moderated by Cdr. David Hafford USN (Ret.) and Bro. Marion McCarley, the Rifle Club's Officers included - President Ken Nelson, Vice-President Bill Blackwell, Secretary Scott Smith, Treasurer Lucas Cuccia, Range Officer Gerald Lyons, and Weapons Officer Bryan Lagarde.

Sword And Shield

Designed to bring students together to discuss and observe military affairs and current world events, the Brother Martin Sword and Shield Club was led by President Scott Mercer and Vice-President Lucas Cuccia. Club meetings revolved around a movie on the military or a discussion on local, national or international events. Guided tours of military bases offered the members a first hand look at the armed forces in action. Cdr. G.A. Kelley served as moderator.

Honor Society

The National Honor Society of Brother Martin, a club reserved for those students who maintain a high level of excellence in academics, presented a city-wide Elementary Quiz Bowl as a joint venture with the Honor Society of Dominican High School. The success of the event was due mainly to the careful planning and hard work displayed by President Brad Mills, Vice-President Paul Kornovich, Secretary Robert Rohli, Treasurer George Liu, and Moderator Mr. Jack McCollum.

Key Club

Once again the Brother Martin Key Club initiated and participated in several community services. Among the club's activities were the preparation of over fifty Thanksgiving baskets for the poor, visits to the Children's Hospital every Sunday, shopping with the elderly, working the aid stations at the Cresent City Classic, operating a Martin Fair booth, assembling Geometry worksheets, and volunteering for work at the S.P.C.A.

Under the direction of Mr. Barry Neuburger, the Key Club made its presence known throughout the Key Club District. Greg Binder served as President with Vice-President Ray Rich, Secretary Jimmy Tonglet, and Treasurer Chris Paulin.

Chorus

Under the direction of Mr. Greg Rando, the Brother Martin Chorus completed another successful year in 1985. The group participated in many events such as the L.M.E.A. District 6 Competition at U.N.O., the Alumni of the Year Breakfast, the Regional Choral Festival in Atlanta, and Spring and Christmas concerts, as well as performing at masses and singing the National Anthem at the Saints-49's football game in the SuperDome.

Newspaper

With an emphasis on organizations and activities, the 1984-85 staff of the Martin Crusader set out to cover the major news stories of the school year. With the cooperation of the photography staff, the newspaper managed to publish six issues throughout the year. Noel Jensen acted as Editor-in-Chief, Keith Spera was Assistant Editor, Damien Leone and Mike Rood served as page editors. Mr. Kevin McDermott replaced retiring moderator Mr. Mike Begg after the first semester.

Yearbook

The 1985 Yearbook is a turning point in the history of Brother Martin publications. For the first time, the yearbook staff, has turned to the computer for assistance with layout and design.

Keith Spera served as Editor-in-Chief with staff members Damien Leone, Mike Rood, Noel Jensen, Robert Claypool, and Daniel Johnson. Copy Staff members included Dolph Federico, Kraig DeLanzac, Gary Clark, Jason Burch, and Mike Stant.

Photography

Advised by Mr. Bryan Kenner, Co-Editors Brad Mills and Rondel Frank led their staff photographers through the process of capturing the 1984-85 school year on film.

Supplying photographs for the Newspaper staff, the Yearbook staff, and Activity Office, the Photography Staff worked long and hard at covering important school events and also spent many hours in the dark room processing and printing pictures. In addition, an attempt was made to educate the younger members in the skill of picture-taking and processing.

Cross Country

Pressure. It was a word nobody talked about but everyone felt on this year's cross-country team. The team would have to meet new challenges and overcome fierce obstacles if the 1984 season was to be a success.

After getting off to a shaky start, the Crusaders finally began to come together just before the District Meet. They were ready for the Jesuit Blue Jays. Despite a fine effort by the team and an especially courageous effort by Robbie Schroeder, the Crusaders came in second to the Blue Jays, losing by only a few points.

The following week was the City Meet. Because the Jays cockily sat out of this meet, the Crusaders coasted to the City Title, led by junior Chris Morales. The stage was set for the State Meet.

Cross Country

Coach Nick Lagittuta led the Crusaders up to the State Meet in Nachitoches due to Coach Jack Schommer's sudden illness. As things turned out, a mighty Covington team did win the state title. But the Blue Jays, who had not taken the rag-tag 'Saders seriously the whole season, were beaten out for second place by "The Pack". The team came in strong runners-up, second only to an awesome Covington squad.

Football

The Crusader Football Team, coming off a legendary 9-1 season, produced their first playoff team since 1975. After a slow 2 - 2 start, the 'Saders rebounded to win five of their last seven games to make it into the playoffs as a wild card entry.

District play began with a loss to St. Augustine, 37 - 14. However, in their next outing againt Holy Cross, Martin prevailed 17 - 16. Sophomore Garret Chachere led the team on the final drive with only 5:15 to play climaxing on a four yard scoring pass to junior Jay Rink.

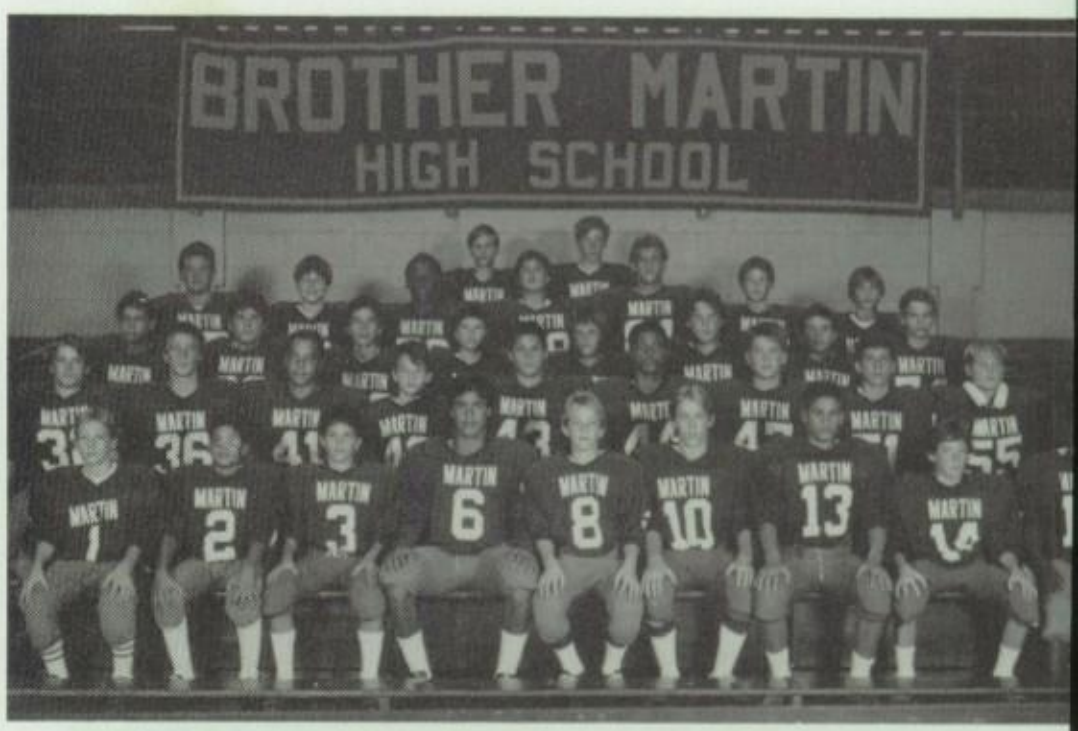
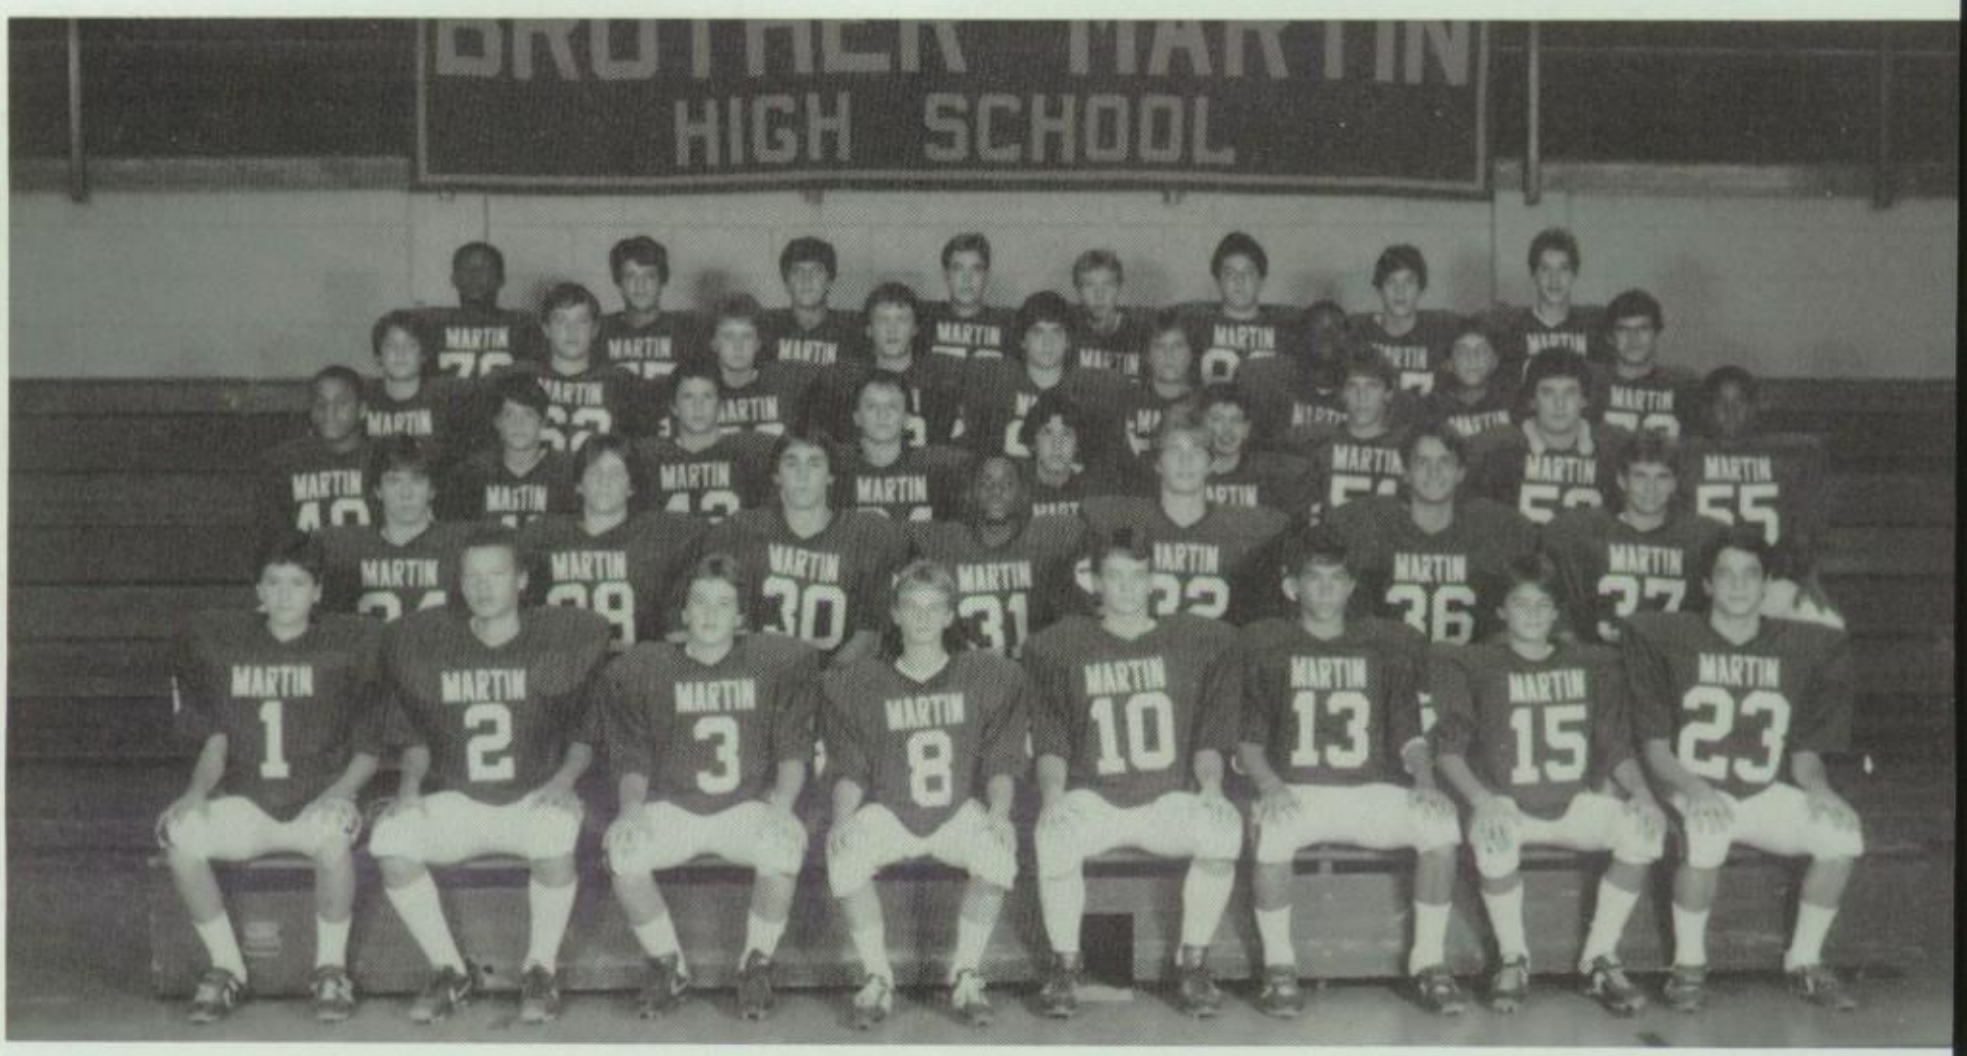
Football

The Crusaders fought hard to achieve their victory over Rummel, 14 - 10. The key play was an 80 yard kick-off return by Robby Delord for a touchdown. And Delord was instrumental in the Homecoming victory against Chalmette with a 68 yard interception return at a crucial time.

De La Salle made the 'Saders work for their 13 - 12 victory; the next week, a ragged Martin team was defeated by Jesuit 21 - 7. A great defensive effort ensured a victory against Shaw, 21 - 7.

In the playoffs, the John Ehret Patriots proved worthy oponents, winning 21-13





Football

The 1984 Junior Varsity team compiled a record of two wins, three losses, and a tie in a season that started slow and finished with a bang. Gradually they strengthened, winning in the end against Rummel and Chalmette.

The Freshmen team, with a 1-3-2 year, showed they were competitors in the hard-nose football they played. De La Salle, 12 - 0. The 8th grade team, however, proved to be more successful with their 4 - 1 record. Their greatest victory was against Jesuit, 12 - 6.

Basketball

A win - loss record does not always reflect the work that has been put into a season. This year's basketball team was a prime example of this. Despite what most people think, a winning season is not necessary to make a winner; as long as a team gives 100%, they are winners.

Head Coach Milton Rohm explained, "The high point of this year's basketball season was the hard work and team spirit manifested by our players as we struggled through a losing season. Their togetherness and youthful enthusiasm are enduring qualities that will carry us next season."

Basketball

Despite the fact that the 'Saders were not overly successful this year, next year looks to be quite promising since most of the young players will return. The experience that the youthful roundballers gained this season will prove to be a valuable asset in the future. In district basketball, survival is what it is all about. The 1984-85 'Saders are, above all else, survivors.

Wrestling

State Champions. It has a nice ring to it. Even more so when it is the second in a row and the third in four years. This year's team won every varsity tournament it entered including District 11AAAA, Regionals, Lee High, Holy Cross, and Big 8.

Coach Ray Charboneau, with assistant P.L. Williams, led the team to placing 13 people in the State Tournament and a dual meet record of 18-0.

Wrestling

One of the main reasons for the team's success was the unity of the team. They could always count on each other to be there for support-for the good and the bad. Another contributing factor was the discipline. Through discipline Coach Charboneau taught his team to never give up. And it is in this way that they are able to win championships.

This year's team benefited from the senior leadership that was given them by Captains Shannon Marks, Mike Newbury, Eric Werther, and Mark Segreto, and by individual state title holders Segreto and Ray Schwankhart.

Swimming

The Swimming Team, coached by Ms. Sue-Dee Lazzerini and Mr. Billy Newport, had a reasonably successful season with a win over Holy Cross on January 18 and a win over Rummel on March 14. The team, led by Captain Mike Campbell, also placed third in the February 2 High School City Relay Meet, fourth in the March 24 High School City Meet, and fourth in the State Meet held on April 19 and 20.

Golf

After a slow start, the 1984-85 Golf team made a fine showing by finishing fifth in the regionals and missing a spot in the State Tournament by only two strokes. Although the Brother Martin Golfers did not qualify for state as a team, Glen Tregre and Craig Hanson qualified individually. Tregre and Hanson were also Martin's Most Improved Player and Most Valuable Player, respectively.

Tennis

The Brother Martin Tennis Team took second place in the State Tennis Tournament in Shreveport this year. The team tied with Capt. Shreve. The Doubles team of Tim Schilleci and Sean Harper were elminiated by Broadmore's doubles team 6 - 2, 7 - 6. Bruce Smith defeated Keith Wimberly of Barbe 6 - 2, 6 - 4 in the first round but then Bruce was defeated by Steve Schneider.

Donnie Leaycraft won the Boy's Singles Championship by defeating Heath Byers of Opleousas 6 - 0, 6 - 0. In the Quarter-finals, Donnie Leaycraft won of over Brooks Perkins of LaGrange, 6 - 0, 6 - 0. In the Championship Match, Donnie took on Steve Schneider of Lafayette and defeated him 6 - 0, 6 - 0.

Bowling

The 1984-85 Bowling Team proved to be one of the toughest contenders in the competition to be best in the league and in the city. Mr. David Falati served as bowling coach and proved to be an inspiration to the two Martin teams. Team A, consisting of Mike Carmouche, Captain Jack Thompson, Frank Mouille, Aldo Tur and David Winfield, began playing at their peak toward the end of the season and eventually earning a place in the league. The Team B consisted of David Clark, Randy Urban, Marc Rodovich, Captain Sean Florane, and Antonino DiFranco.

Soccer

In only its third year in existence, the Brother Martin Soccer Team finished a respectable record of 5 - 6. Under first year coach Gil Amaral and Coach Mark Songy, the soccer team finished third in the league, just missing the playoffs. Playing with many underclassmen, the team appears to be in good shape for years to come.

"The team has come a long way in two years and will be highly competitive in years to come," said Coach Songy.

Track

The Crusader Track Team captured the District 11-AAA for the third consecutive year. Their performance was again marked by overall team depth, not by the superstar performances of a few individuals. They once again proved that track is a team sport that requires a team effort. Coach Emile Marks led the team to the title in one of the closest meets of recent time by defeating St. Augustine 98 - 93.

Track

The Junior Varsity Track Team, led by Coach Emile Marks, once again fared well in district competition. The Crusaders finished a close second to St. Augustine in district. With the experience being gained by this young team, next year's varsity team looks to be in good shape. Led by Pat Stant in the hurdles, high jump, and triple jump, and Jeff Huth in the javelin, discus, and shot-put, the 1985 Junior Varsity Track Team proved to be a tough group of athletes to beat. Other leading members included Garret Chachere and Chance Miller in e sprints and Lee Killian ii the long jump.

Baseball

Confidence and team spirit propelled the Crusader Baseball team from a pre-season ranking of 7th in District 11-AAAA, out of eight teams, to a pronounced 2nd place in the district and a 1985 state runner-up spot in Quad A. This was a remarkable achievement considering the fact that no other team in the district had used only freshmen and sophomores to pitch in all district games as the Crusaders did.

Coach Barry Hebert suggested that what overcame inexperience was a sense of individuality behind the team spirit, "Everyone on the team was a leader. The team has played together rather than as individuals. If not we wouldn't have won as many games as we did."

Baseball

Another key to the Crusaders' success was the pitching. Coach Scott Murphy had been in charge of pitching whose results have been regular performances of 5 wins, 0 losses by freshman Pete Dares, 3 wins, 0 losses by sophomore Barry Boudreaux, 4 wins, 2 losses by sophomore Paul Mire, and 2 wins, 2 losses by freshman Todd Masson.

The Crusaders turned out three all-district players and one all-metro player this year. Dares, Chris Franceis, and Dana Curtis made the all-district team. Francis also made the all-metro team.

Administration

The administration of Brother Martin was reorganized for the 1984-85 school year. Brother Ivy LeBlanc served as principal for his fifth year. Mr. Gregory Brandao, who served three years as Director of Activities and Publicity, filled the position of Academic Assistant Principal. Assuming the responsibilities of Assistant Principal in charge of student discipline and attendance was Mr. John Devlin, former Science Department Chairman. Returning as Members-at-Large were Brother Jean Sobert and Mr. Jack Schommer.

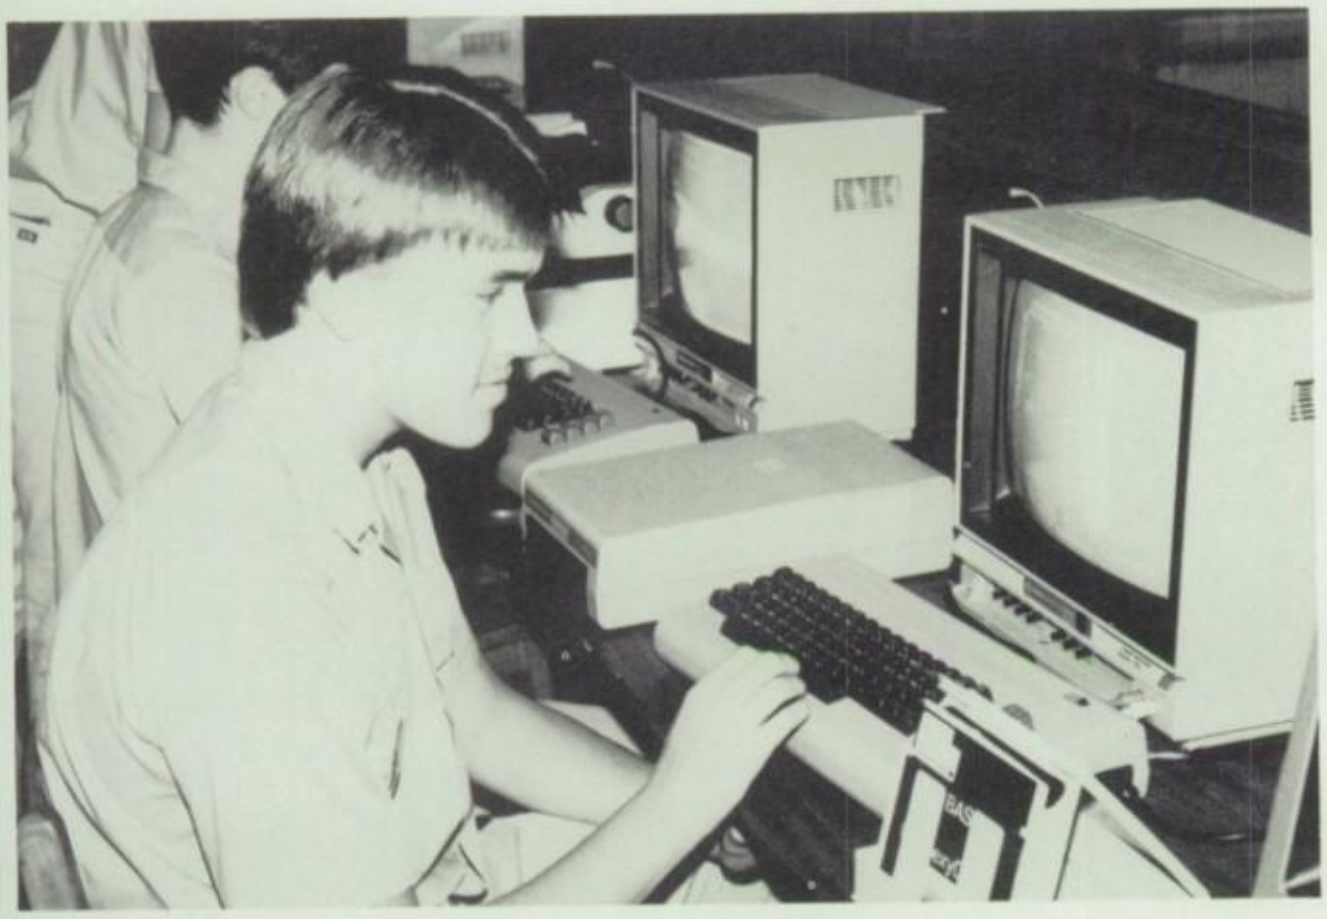
OPPOSITE PAGE BOTTOM: The 1984-85 Computer Science Department included Bro. Neal Golden and Bro. Maurus Bordelon.

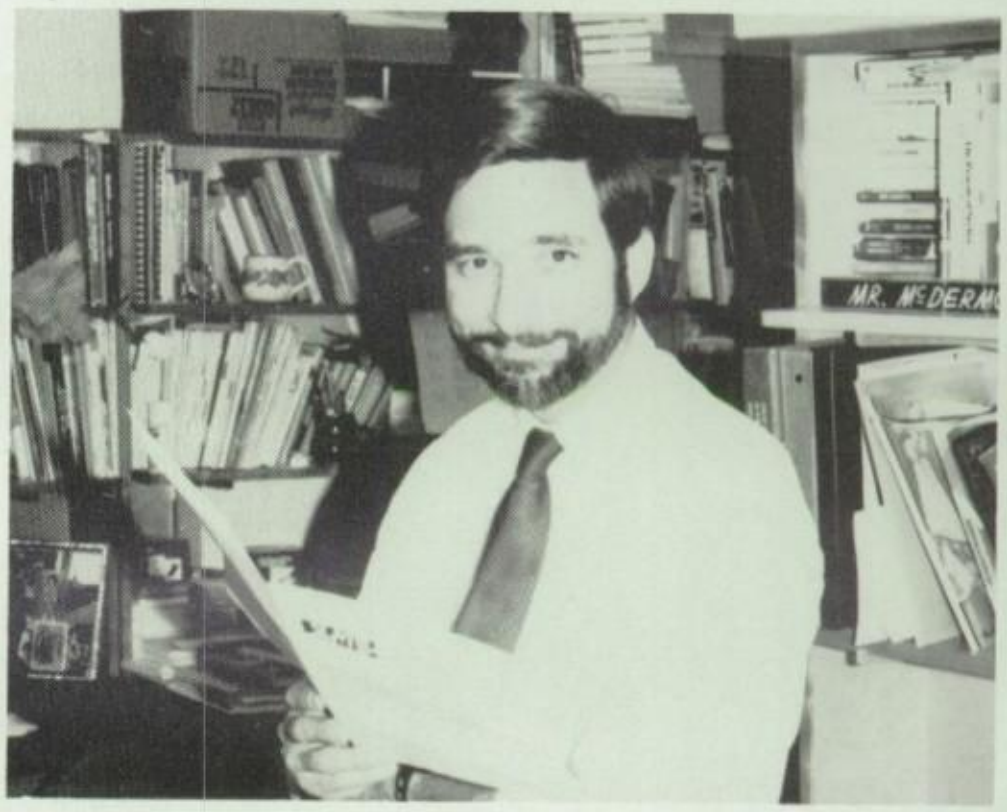


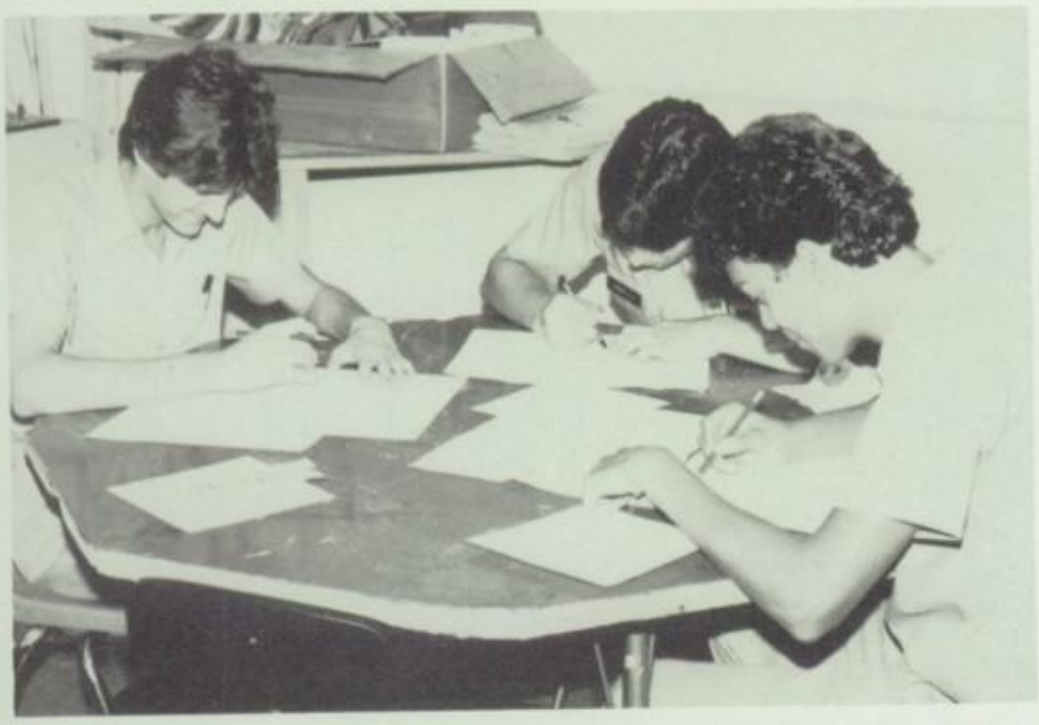
Computer Science

In recognition of the growing interest in and demand for computer courses for high school students, the Computer Science Department had been established apart from mathematics. The Computer Science Department offered courses that prepared students for college work and for the use of computers in their personal and professional lives. In addition, the department also taught a two-week unit in Computer Literacy to all eighth grade math classes and sponsors the Computer Club. Bro. Neal Golden served as Chairman. Bro. Maurus acted as instructor.

English

The Brother Martin English Department, led by Chairman Mr. Gene Tullier, offered a variety of courses to help improve students writing and reading skills. The program, as outlined by the department members, emphasized the importance of proficiency in the language arts to learning. The skills of reading, oral and written self-expression and research were developed by a department of sixteen teachers - the largest department in the school.





Fine Arts

The Fine Arts Department contributed to the educational needs of the students through a variety of music programs, a series of chorus courses, and art appreciation classes. All fine arts classes were designed to develop appreciation, knowledge, and skills in all students commensurate with their interest, talent, and ability. Mr. Arthur Hardy served as Chairman for the department which included Mr. Randy Asprodites, Mr. Marty Hurley, Mr. Greg Rando, and Mr. Robert Ruello.

Foreign Language

The Foreign Language Department offered full-credit courses in French, German, Latin, and Spanish. The program was designed to provide students with the fundamentals necessary in speaking, understanding, reading, and writing a foreign language. Mr. Frank Ferrara, a Spanish instructor, served as Department Chairman. Other instructors included Miss Alice Abate, Bro. Brendan Butler, Mrs. Elfi Celebi, Bro. Henry Gaither, Bro. Leo Godin, Mrs. Sue-Dee Lazzerini, and Ms. Judy Maldonado.

Guidance

The guidance counselors have always been available to students, parents and teachers in order to best advance the total development of the student. Guidance of various kinds was offered - educational, religious, moral and career. For those students who needed specialized care, referral services were also available throughout the city. The counselors sought to encourage and motivate students to perform well academically. This included offering the possibility of tutoring and aid in course selection. Bro. Jerome Lepre was Chairman. Bro. Brendan Butler, Bro. Louis Couvillon, Mr. Mike McNeil, and Mr. Milton Rohm acted as guidance counselors.

Library

A large, attractive library with extensive print and audio-visual collections, numerous services and programs provided a learning environment for students and faculty conducive to the integration of religious values and educational objectives into every aspect of life. Emphasis is placed on the advanced disciplines and research resources within the 18,000 volume collection. More than 100 periodicals were available to the recreational reading area which was furnished with informal seating that provided a relaxed atmosphere. The library staff included Mrs. Gayle Salvatore, Chairman, and Mrs. Susie Gremillion.

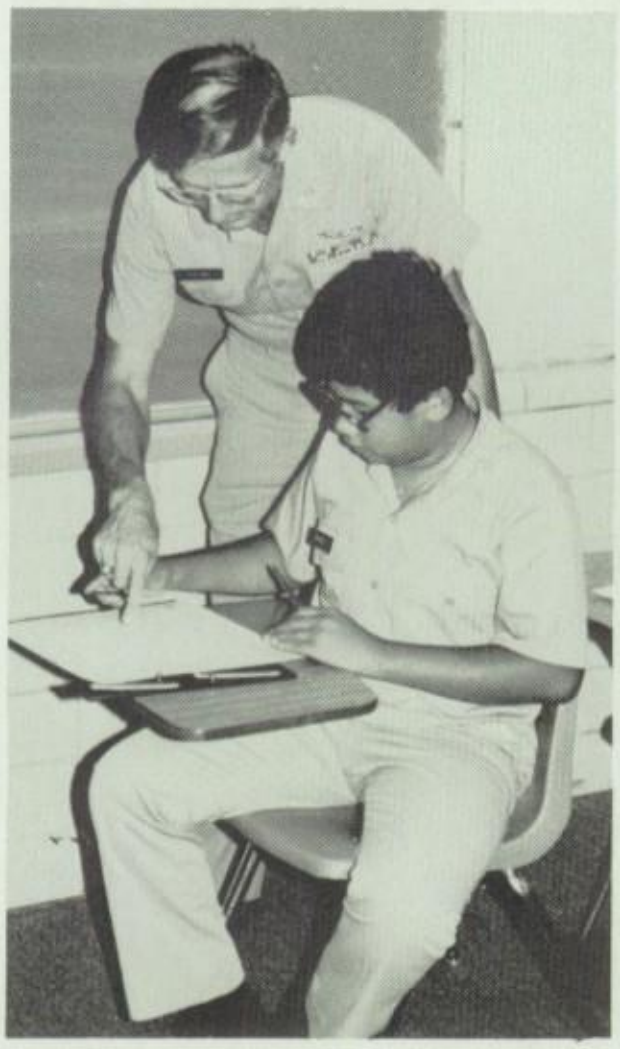
Mathematics

The Math Department played an essential role in preparing students for the demands of college. The required courses included Math, Algebra, and Geometry with electives Trigonometry, Advanced Math, Analysis and Calculus. Mrs. Norma Cannizzaro served as Chairman of the Math Department.

NJROTC

The Naval Junior Reserve Officers Training Corps was administered by the school's Naval Science Department which consisted of retired commissioned officers. The NJROTC program consisted of four years of academic and military training requiring high standards of personal conduct. The program objective was to develop in each student a degree of responsibility, self-discipline and a love of country.



H. & P.E.

The Health and Physical Education program consisted of different physical activities, sports, and instruction in health education. There were eight activities and sports offered to all students - football, softball, track, basketball, volleyball, tumbling, rope jumping and physical fitness testing. Health consisted of alternating courses in first aid, safety, and the abuse of tobacco, alcohol, and other drugs.

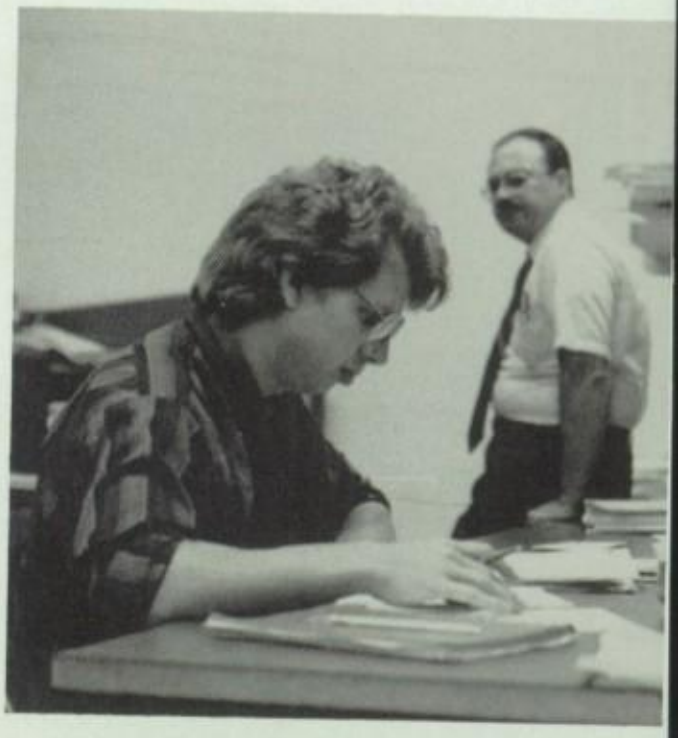
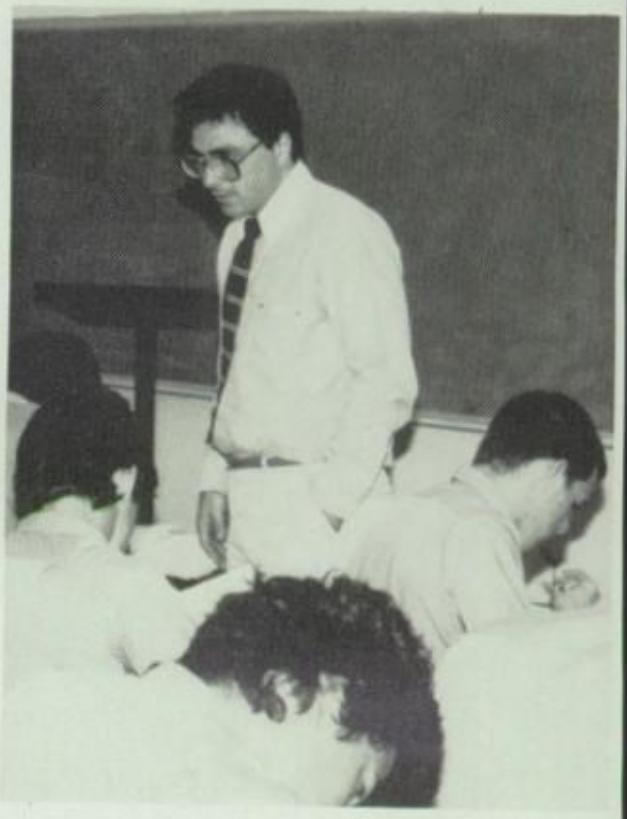
Religion

The Religion Department's goal was to impart to students both an academic content and an attitude toward life - toward God, self and others. To this end, the basic truths of the Catholic Church were presented. These truths were analyzed and discussed with a view to forming attitudes which hopefully will enable the students to contribute in a positive fashion to their world and to live a life of peace, justice and charity. Mr. Jay Faust was the Chairman for the Religion Department.





Science

Members of the Science Department prepared a program of study and labratory work that would instill in each student basic scientific knowledge. The course selection included Physical Science, Biology, Chemistry, and Physics. Mrs. Chere Campbell served as Chairman of the Science Department, ensuring that the department provided a strong foundation for present needs, interests, and future development.

Social Studies

The Social Studies Department developed a program which enabled the student to look reflectively and creatively at the various aspects of man's total existence - be it historical, political, economic, geographical, social, or moral. The interdependence of individual upon individual, and the interdependence of nation upon nation are brought out in bold relief. A wide offering of courses included Civics, American History, World History, American Government, Free Enterprise, and Geography. Chairman of the department was Mr. Nick Lagattuta.

It's over. Yesterday XVI is in the can and it is finished. It will undoubtedly resurrect different memories for different people. For me, I will recall long, long hours spent at home and school cropping pictures and designing layouts. I will remember missing many nights at TJ's, which would have been a whole lot more fun than yearbooking. But whatever the memories, a few people helped make this book possible. They include:

Mr. Mike Begg, who really proved invaluable by organizing the work which had to be done and taking hundreds of great color pictures that aren't appearing as color. Oh yes, you also gave me an incentive to finish by holding my Rush albums hostage. The book is now finished-I want them back.

Mike Manifold, thanks for taking out my girlfriend on the nights I had to work on the yearbook.

Noel Jensen, for taking so much pride in your work. I've never seen anything quite like it.

Mike Rood, who proved he actually can work when all his toys are taken from him.

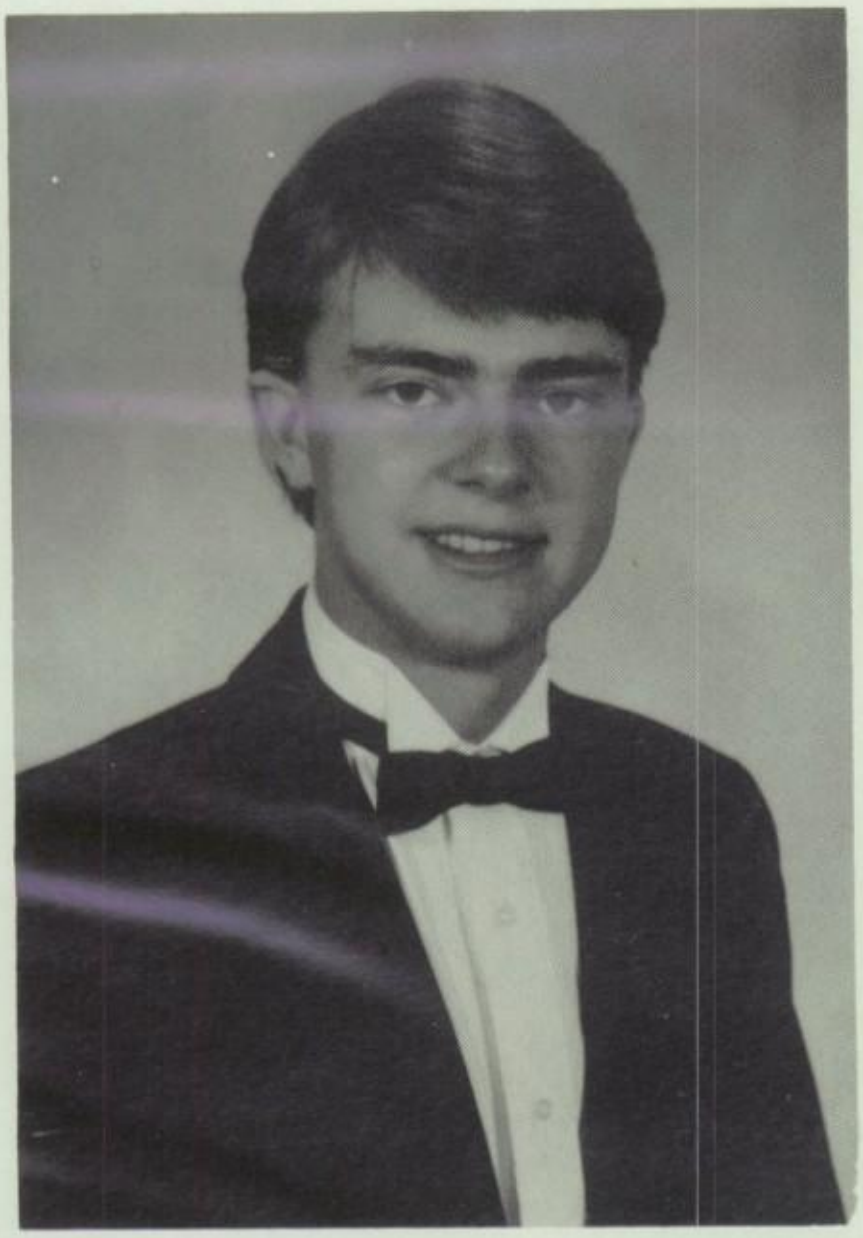
Paul Kornovich, who gave me a big pat-on-the back in his valedictorian speech. I wish more people had your guts.

Damien Leone, who did most of the classes and the faculty sections. Please remember Paul's example when writing your editorials in the future.

Stephanie, who helped finish the index. Thanks for letting hamburgers-at-home and yearbook work suffice as a date.

Coach Rohm, Mr. McNeil, Br. Brendan, and my mother, Kenny Martinez, Mike Manifold, and all those others who supported and strengthened me during very rough and turbulent times this year. Thanks, guys.

Mrs. Anna Rose Neider. Thanks also to Mrs. Del Materne, Mrs. Gloria Sokira, Mrs. Pat Trapani, Mrs. Kay Toups, and Mrs. Diane Collethi.



Overall, I honestly feel that the publications' staff has done a very good job over the past two years. Certainly we did better work than could be expected from people who had "outlived their usefulness", and "could be replaced". Awards were not what we were after. If it were, than we not have been true to ourselves and those around us. We would not have written what we felt had to be written and we would not have said what we thought had to be said.

The recognition and praise that we did actually receive was much more valuable than the kind of praise that can be displayed on a shelf. We were bestowed with the appreciation, respect, and thanks of our peers and the people we respected, the biggest honor we could have possibly been endowed with.

It was a rewarding feeling to have students tell me how great they thought last year's yearbook was when it came out. It is the highest tribute I have been paid by none other than the students of Brother Martin.

I only hope that what I've done in the past and what I will do in the future is able to repay to you some of what you have given to me.
